TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

By Appointment.

Burn's Walk is a picturesque tree-fringed resort on the banks of the Nith. Very fond was the poet of the leafy recesses on the banks of this beautiful river, and this woodland walk was one of his favourite promenades and since his death has been called after him.

"I love thee, Nith, thy banks and braes,
Though memory there my bosom tear."
